- Feb. 2014- Now: Head of Team of preparing the first Yemeni National Standard and Specifications for Building, which prepared by Engineering Consultancy Center, Faculty of Engineering, Sana'a University.

RESEARCH AREAS

- | | |
|---|---|
| ○ Urban studies | ○ Low-cost and Affordable Housing |
| ○ Construction Management | ○ Sustainable Housing |
| ○ Cost overrun and Estimation | ○ Violations of construction law and regulations of urban planning in Yemen |
| ○ Cost for Construction Projects | |
| ○ Project Performance and Labour Productivity | ○ Bidding and Contracting Problems |

- Conservation violations of the buildings in Old Sana'a and Historical cities
- Project Time Management: Delay Factors
- Accreditation and Quality Assurance of Architectural Education in Yemen
- Architectural Education Development

TEACHING EXPERINCES:

Undergraduate Programs Subjects

- Architectural Design Studios
- Final (Graduation) Project.
- Urban Design Studios
- Housing
- Interior Design Studios
- Working Drawing
- Detailing Working Drawing for Interior Design
- Finishes and Finishing Materials
- Construction Management
- Building and Urban Planning Legislation
- Architectural Drawing and Graphics
- Principles of Design
- Building Construction
- Quantities Survey and Specifications
- Project Management
- Perspective and Shadows

Postgraduate Programs Subjects

- Some subjects in Urban Studies such as:
 - Housing
 - Contemporary Culture Studies in Design
- Some other Subjects in Architectural Studies and Engineering Project Management:
 - Advance Project Management for MSc. Architectural Engineering
 - Project Quality Management
 - Advance Project Management -2 (Quality, Communication and Resources)
 - Advance Project Management -3 (Risk, Procurement and Stockholders)
 - Time Management and Scheduling
 - Research Methodology
 - Building Systems
- Supervision for Master Theses
- Supervision for PHD Theses
